Queen Elizabeth with her corgis, Susan and Sugar. PHOTO: STRINGER/INTERCONTINENTALE/AFP VIA GETTY

A photo taken in May 1953 shows [Queen Elizabeth](#) holding onto her pets' leashes as they boarded the plane in London to head to Scotland.

"Elizabeth and Susan were inseparable: Susan had been an 18th birthday gift from her 'Papa,' King George VI, who died the year before Elizabeth's coronation," explains Perry. "The Pembroke Welsh corgi had also played a part in the happiest day of her companion's life when she was smuggled into a royal carriage after Elizabeth's wedding to [Prince Philip](#). Now, she was helping the Queen to prepare for the most momentous occasion of her reign. It was clear, even then, that Elizabeth's corgis were 'therapy dogs' for the shy princess who had been thrust into the most public of all roles."

En novembre dernier, l'auteure **Caroline L. Perry** a consacré un livre jeunesse à l'indéfectible lien entre Elizabeth II et sa fidèle amie à quatre pattes, entrée dans sa vie lorsqu'elle n'était encore qu'une princesse âgée de 18 ans. Dans une interview au magazine *People*, elle explique que Susan a été « enterrée sur le domaine de Sandringham avec une pierre tombale spéciale indiquant : “Pendant près de 15 ans, la fidèle compagne de la reine” », une inscription « personnellement choisie » par la reine.

Tác giả Caroline L. Perry giải thích: "Susan đã ở đó trong nhiều khoảnh khắc quan trọng nhất trong cuộc đời Elizabeth. Nó đã ở bên cạnh người bạn vương thất của mình khi Elizabeth gia nhập một trung đoàn nữ phục vụ đất nước trong chiến tranh. Nó đã ở đó khi người bạn đồng hành của mình kết hôn với Vương tể Philip. Susan cũng ở đó an ủi khi Vua George VI qua đời, cả khi bà lên ngôi Nữ vương ở tuổi 25 và khi bà trở thành một người mẹ".
